EVERY ROOM IN THE RIGHT MOOD WITH THE MODISH MOON RUGS

The Moon Collection offers a wide range of soft and cosy, low pile indoor area rugs, in meticulously mixed plains and magnificent, modish designs.

The rich colour palette, including mellow earthy hues and mild terra tones, instantly creates a warm, inviting mood in every room.

From rich faux-uni mixes, tone on tone patterns, to bicoloured designs and multicoloured modern geometric shapes; there's a Moon rug to light up every living space.

Thanks to the high-quality, microset polypropylene yarn and the durable woven construction, the Moon rugs are stain resistant, non-shedding, suitable for floor heating, and very easy to maintain.
